tion of Patients and under the direction and charge of William Bode, M. D., late of Washington city, pupil of the celebrated Pricenius, founder of the system.

The proprietors being convinced thest an institution of this kind would be a blessing to the sick, and the invalida of our city and state, and those of our sister states, who would resort to this mode of cure sister states, who would resort to this mode of cure sister states, who would resort to this mode of cure sister states, who would resort to this mode of cure sister states, who would resort to this country, after the plan of those in Germany. The house has been newly pointed and furnished with mew furniture, and specially alfered and arranged for comfort to the patients and for the utmost efficiency of the meant house, containing all the necessary bath opparatus. A Douche house is building which will contain 4 douches, [2 for ladies and 2 for gentlemen) which will have a fail of from 12 to 18 feet, and in volume from 13 to 23 inches in diameter.

"There are four large aprings on the place at a temperature of 54° Parenheit, highly impregnated with cishonic gas in constant efferivescine. The water is temarkably light and all the springs are shaded by large trees. Walks lead from one to the other, giving ample opportunity for walking. The place is known as one of the healthiest and most despitted in Maryland.

Dr. Caristie's Galvanie Rings and Magnetic Fluid.

[MHS remarkable invention, which has received the almost universal approbation of the medical profession of Gueat Britain, comprises an entirely new application of Gdvanism, as a remedial agent by means of which the redinary Galvanie Batteries, Electric and Magnetic Machines, &c. are entirely, dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use.

The Galvanic Rings have been used with entire success in all eases of rheumatism, acute or chronic, applying to the head, face, or limbs; gout, tic-doloreux, toothache, bronchittis, vertigo, nervous or sick headache, indigection, paralysis, paley, epilepsy, fits, cramp, palpitation of the heart, apoplexy, sulfiness of the joints, spinal complaints, lumbago, neuralgia, nervous tremors, diziness of the head, pains in the chest and side, general debuty, dendency of nervous and physical energy, and all nervous disorders. In cases of confirmed dyspepsia, which is simply a nervous derangement of the digestive organs, they have been been found cynally successful. Their extraorlinary effects upon the system must be witnessed to be belived, and as a certain preventive for the preceding complaints they are equally recommended. The rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate finale without the shaltest inconvenience. In fact, the sensation is raher agreedable than otherwise.
